

Topic of the Speech:

Effect of Structure and Material of Bilayer Knitted Fabric on Thermal and Moisture Management

Dr. Annie Yu

School of Fashion and Textiles
The Hong Kong Polytechnic University
Hong Kong, China

Dr. Annie Yu is an Assistant Professor in the School of Fashion and Textiles, the Hong Kong Polytechnic University. She obtained her Ph.D. from the same university in 2015.

Her main research interests include the design of novel knitted fabrics and functional textiles. She also specialises in experimental design and evaluation of clothing fit and comfort, physiological and psychological responses of human participants to different types of textiles and clothing products, as well as formulation of simulation models to predict garment-skin pressures.
