

## REGISTRATION

- Regular registration deadline:

**July 15, 2024**  
(Extended Date)

(or within 14 days from the date of issuing PAN/AAN)

- On-site Registration:

**August 20-23, 2024**

## REGISTRATION FEE

### 1-Webinar

	On or before July 15, 2024 or within 14 days from the date of receiving the PAN/AAN		
	Participate with full paper	Participate with Abstract or Oral/Poster Presentation	Participate only
	USD	USD	USD
Regular	590	550	430
Student	540	500	380
Other fees	Day rate: 350 USD Co-author/Accompanying Person: 200 USD Industrial Participant: 630 USD		

### 2-Webinar and EXCO (Daegu, Korea)

	On or before July 15, 2024 or within 14 days from the date of receiving the PAN/AAN			August 20-23, 2024
	Academic participants with full paper	Participate with Abstract or Oral /Poster Presentation	Participate only	On-site Registration (Attend as an audience only, no paper/ abstract submission )
	USD	USD	USD	USD
Regular	790	750	630	750
Student	740	700	580	700
Other fees	Day rate: 550 USD Dinner only: USD 190 Co-author/Accompanying Person: 460 USD (only include lunch and social events) Industrial Participant: 830 USD			

**Remark:** For the requirement of online or onsite eposter please refer to the website.

## SPECIAL DISCOUNT

- TBIS members: 10% discount.
- Reviewers listed in the TBIS 2023 proceedings: 10% discount.
- Supporting Institute: 10% discount.

## TBIS ROADMAP

TBIS 2025: Zhejiang Sci-tech University, China

TBIS 2026: Qingdao University, China

TBIS 2027: Czech University of Life Sciences Prague, Czech

Please visit conference website for update information.

Website: [www.tbisociety.org](http://www.tbisociety.org)

## SYMPOSIUM

TBIS 2024 is aiming to set up a unique global stage and platform for people working in the whole supply chain from materials, Yarns and apparel and technical textiles to relevant service industries such as biomedical industry, fashion industry and sport industry with common interests in providing high quality of products and services for protection, health, performance and comfort of human populations living in various environments and exposing to various natural and human disasters.

## LANGUAGE

The official language is English.

**TBIS 2024 is a peer-reviewed conference.**

## TBIS 2024 BLENDED CONFERENCE

Webinar: Online via Zoom

Onsite Venue: 10 Exco-ro, Buk-gu, Daegu 41515, Korea

# TBIS

## TBIS 2024

### HYBRID CONFERENCE

## The 17th Textile Bioengineering and Informatics Symposium

Textile Sustainability, Ecology and Health

### August 20-23, 2024

Website: [www.tbisociety.org](http://www.tbisociety.org) (Click Symposium)

## SPECIAL TOPICS

- Textile Supply Chain Digitalization, Traceability and Digital Economy
- Sustainable and Circular Textile Material and Technology
- Environmental Sustainability
- Digital Health and Intelligent Materials

## REGULAR TOPICS

- Textile devices, footwear, apparel and accessories
- Textile and apparel CAD technologies
- Textile informatics and supply chain management
- Novel materials: biomaterials, macromolecules, nano materials and smart materials, and novel fibers
- Novel technologies: biotechnology, nanotechnology, fiber technology, textile technology, dyeing and finishing technology and clothing technology
- Biomedical engineering, medical textiles and devices
- Manufacturing and processing equipments and devices: fiber spinning, yarn spinning, weaving, knitting, dyeing and finishing, non-woven, clothing, manufacturing and finishing
- Design: fashion design, functional design, system design and integration, accessories design
- Evaluation and test methods, testing standards and instruments
- Theoretical modeling and computational simulation
- Thermal bioengineering, biomechanical engineering and sensory bioengineering

## REGULAR TOPICS

- Clothing and textile devices for personal protection, sports performance and healthcare
- Clothing physiology, comfort, hygiene, health and ergonomics
- Textile Education and E-learning technologies
- Human body metrics and anthropology
- Textile ecology, carbon footprint, certification, sustainability and technology roadmap
- Wearable Technology, Wearable Devices, Fashion Electronics
- Personal Protective Equipment

## FULL PAPER/ABSTRACT SUBMISSION

### DEADLINES

- **Submission deadline:** **May 31, 2024**  
**(Extended Date)**

**Remark:** All the papers / abstracts will be reviewed and assessed by the International Scientific Committee of the symposium proceedings before acceptance letters are issued. Upon receiving formal registration with registration fee paid, the papers will be sent out for peer review. Final acceptance for publication in the proceeding is subject to satisfactory revision according to the reviewer comments.

- **Paper/abstract acceptance notification:** **June 15, 2024**  
**(Extended Date)**

**\*\*\* Please note that for authors who have submitted full paper/abstract on or before March 31 2024, the paper/abstract acceptance notification will be issued on or before April 30 2024.**

### PAPER SUBMISSION

Submit online in given format in MS Word, the length of the paper is 6-8 pages.

### ABSTRACT SUBMISSION

Submit online in given format in MS Word, it will be included in the conference program book, and presented in format of Oral or Poster presentation.

## NOTICE

TBIS 2024 is a hybrid conference. For more information and updates, please visit the official website: [www.tbisociety.org](http://www.tbisociety.org).

## WELCOME TO DAEGU, KOREA

## PUBLICATION

All accepted papers in conference proceedings will be collected and can be free downloaded. The proceedings will apply for CNKI/ Scopus/ Ei Compendex. High quality papers after peer review will be selected for publication in Journal of Fiber Bioengineering and Informatics.
