TBIS 2025

**The 18th Textile Bioengineering
and Informatics Symposium**

Sustainable Innovations for Future Textiles

August 17-20, 2025

Registration items

Regular (USD)

Student (USD)

Participants with Full Paper

750

650

Participants with Abstract or Poster

450

350

Participants as Listener only

350

300

Important:

- Early Bird Registration: 20% discount register on or before May 15, 2025.
- TBIS member, reviewers, supporting institute and invited speakers teammembers: additional 10% discount.
- For authors who submit paper and abstract are required to settle the payment within 14 days from the date of receiving the PAN/AAN in order for the paper and abstract to be included in the program.
- Payment slip with paper/abstract ID need to email to TBIS secretariat at tbis@tbisociety.org.

MAIN TOPICS

1. Advanced Fiber and Composite Materials
2. Bio-Medical Textile Materials
3. Flexible Wearable Fiber Devices
4. Bio-based Materials and Fiber
5. Textile Green Manufacturing and Processing Technology
6. Industrial Textile Materials and Applications
7. High-end Textile Equipment and Intelligent Manufacturing
8. Digital Intelligence Fashion and Creative Design
9. Fashion Design: Simulation and Generative Modeling Technologies
10. Clothing Digitized Processing and Advanced Manufacture Technology
11. Clothing Comfort and Protective Equipment
12. Sustainable Development of Fashion Industry

SPECIAL FORUM

SF1. Textile informatics Bioengineering: fashion textile value chain digitization, digital twin and supply Chain management.

SF2. Textile sport bioengineering: sports physiology, sports performance, sports functional requirements, functional materials innovation for sports, sports apparel design and manufacturing, sports textile devices design and manufacturing, sports performance monitoring, sports apparel testing methods and standards.

FULL PAPER/ABSTRACT SUBMISSION

Submission deadline **March 31, 2025**

Remark: All the papers / abstracts will be reviewed and assessed by the International Scientific Committee before acceptance letters are issued. Upon receiving formal registration with registration fee paid, the papers will be sent out for peer review. Final acceptance for publication in the proceeding is subject to satisfactory revision according to the reviewer comments.

Paper/abstract Acceptance Notification

(PAN/AAN) **April 30, 2025**

PAPER SUBMISSION

Submit online in given format in MS Word, the length of the paper is 6-8 pages.

ABSTRACT SUBMISSION

Submit online in given format in MS Word, it will be included in the conference program book, and presented in format of Oral or Poster presentation.

TBIS 2025 is a peer-reviewed conference.

LANGUAGE

The official language is English.

Please refer to TBIS 2025 official website for more information:
